- Networking

EDUCATION

Public School Queen Nr. 69 // 2005 - 2010
Scoala Gimnaziala "Alexandra Nechita" // 2010 - 2015

Colegiul Economic "Anghel Rugina" // 2015 - 2019
High School Diploma & Computer Science Certificate

Universitatea "Alexandru Ioan Cuza" // 2019 - 2023
Bachelor's Degree in Computer Science

RELEVENT EXPERIENCE

Project: Your Mind // Apr 2023 - Jun 2023
Your Mind is a mental health-focused social media platform, it served as the basis of my thesis project, through which I obtained my bachelor's degree in Computer Science at the University of "Alexandru Ioan Cuza".
https://github.com/andrei-v-stan/YourMind

Project: Morse // Mar 2021 - Jul 2021
Morse is an Android application developed as a collaborative group project for one of our college classes. Within the team, I played multiple roles including front-end developer, tester, and manager.
https://github.com/raduitache/Morse

Class Teacher // Dec 2019 - Mar 2020
Through the "Programare cu Rabdare" program, I volunteered as a Coordinator for an after-school class of high school students, where I taught them the fundamentals of C++, HTML, and CSS.
